The North Burns Cemetery Association

May 1, 2012

Dear Association Members:

The annual meeting of the North Burns Cemetery Association will be Sunday, May 27, 2012 at 1:30 pm at the Church of Christ Building at Burns Flat, OK. Your attendance and ideas at the annual meeting will be greatly appreciated.

Please advise if this letter has been forwarded to you from a previous address, in order for us to update the master files for future mailings. Please advise if you have an email address that we may send future correspondence to. This will save the association monies in sending out the mailings.

If you have no plans to use the remaining spaces you own in the cemetery, please notify me in writing so the spaces may be resold to others. If you have made plans for other family/friends to use these spaces, please advise me by letter in order for our records to accurately reflect your wishes. This will eliminate confusion for loved ones at the time of final need. As per the rules and regulations, spaces may not be sold by anyone other than the board members of the association. Refunds for returned spaces is prohibited by the regulations.

If you would like to make a donation for the maintenance of the cemetery or would like to send money in memory of a loved one, please make checks payable to the North Burns Association and mail to the address listed above. If this donation is made in memory of a loved one, be sure to note name and address of individual(s) you would like the acknowledgement mailed to.

In the original regulations set forth in 1927, (item #10) the following stipulation was made:

- No Lots or parcels of grounds shall be defined by an so-called fence, railing, coping, hedge, embankment or ditch, or contain any case, seat, wirework, rock or other architectural object or any wooden structure except as is specifically allowed and consented to by the Board of Trustees.

Several items have appeared in the cemetery and will be removed on July 1, 2012. If you would like to bring them for the Memorial Day Celebration, you may do so and they will be left on the grave site until June 10. If they are not removed by the owner by June 10 they will be removed by the Board trustees and placed outside the fenced area. If they are not picked up by July 1, they will be disposed of. These items make mowing difficult and more expensive and these are the reasons the regulation was made.

The fence has posed problems in the past. The board will be discussing repair or the possible removal of the existing fence.

If you would like to review all the information on the history or Rules and Regulations of the North Burns Cemetery, you may go to the following website:

- www.cottonboll.com/~north_burns_cemetery

There has also been a problem with individuals driving on the grass. We wish to preserve the grass that is growing at the cemetery; therefore we ask that you drive in the driveways only.

We appreciate your support and hope to see you at the annual meeting.

Sincerely,

Cheryl Adams
Secretary – Treasurer
North Burns Cemetery Association
